# Principal's Report

Last night we formally said goodbye to our wonderful Year 12's. Mrs van Lierop gave an entertaining and meaningful talk and the Eildon Boat Club did a great job hosting us. Mrs Rennie and Mrs Dundas did a superb job with the organisation of the evening and setting the venue up to look amazing. We have immense pride in these young people, and although we are sad that we will no longer see them regularly in our hall ways, we are excited for them as they embrace the adult world and chase their dreams. Our graduates will always be part of the Alexandra Secondary College community and we are always here to support them. Any advice they have to help our current students is valued and we look forward to hearing of their successes. It was also sad last night to say goodbye to a number of families who had their youngest child in Year 12 this year. We thank them for their partnership and faith in us.

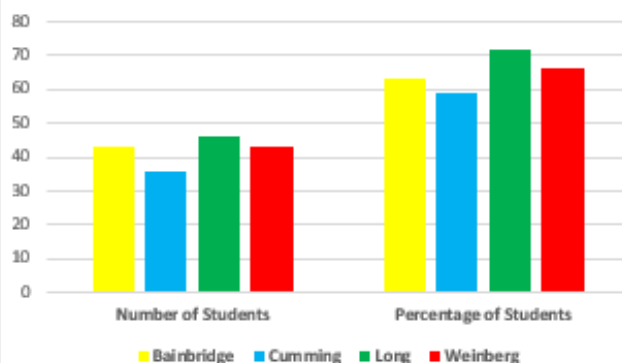

Our Year 11 students and a number of our Year 10 students have begun their Year 12 subjects for next year with our Head Start program. This early learning and holiday work has huge benefits with managing the workload and pressure of senior subjects next year.

As we approach the biggest holiday of the year, it is important that we make the most of these last few weeks of learning.

## Uniform update:

Students are reminded that the only jacket that is part of our school uniform is the badged shell jacket.

Over the colder months students have been allowed to wear plain black coats. This is not a jacket style garment but a proper coat which is taken off inside.

As of next year the old green polar fleeces will no longer be accepted as current school uniform. Please do not wear these as of 2020.

### Applications now open for the 2020 Kat Muscat Fellowship

**Express Media is honoured to open submissions for the 2020 Kat Muscat Fellowship to develop young writers and editors from around Australia.**

The annual **Kat Muscat Fellowship** offers professional development up to the value of \$5,000 for an editorial project or work of writing by a young person of an underrepresented gender. The Fellowship aims to continue Kat's legacy and further develop the future of defiant and empathic young Australian writers and editors.

*'We are delighted that in the fifth year of the Kat Muscat Fellowship, the amount awarded to the annual recipient has increased to \$5,000,' says Veronica Sullivan, chair of the Custodial Committee of the Kat Muscat Fellowship. 'This allows the Fellowship to continue supporting the feminist voices of the future, recognising the crucial role that development and mentorship play in the careers of emerging writers and editors.'*

Ana Maria Gomides, the 2018 Kat Muscat Fellow, says: 'Defiance, feminism, empathy. To have those three values – Kat's mantra – recognised in my work was already a huge honour. Little did I know of the unconditional and ongoing support that the Fellowship would provide. As any chronically ill person will tell you, balancing work and health in an ableist world can be near impossible. The Muscat family and Express Media were not only incredibly accommodating of my capacity, but unwavering in their belief of it.'

Liana Skrzypczak, the 2019 Kat Muscat Fellow, says: 'Without the support of the Kat Muscat Fellowship, I would not have been able to conduct on-site research into the setting of [my novel] *The Lore of Jeju*. I am a writer whose themes have always been deeply connected to setting and place. This Fellowship allowed me to engage all five senses authentically and to ensure Shin-young's story isn't a skeleton without a heart.'

Kat Muscat was a brilliant young mind of the Australian writing community, whose formidable talent was demonstrated through her incisive writing and perceptive editing. Kat was an integral part of **Express Media** for many years, before becoming Editor of *Voiceworks* from 2012 to 2014. Throughout her 10 years with Express Media, Kat helped to shape the career of young writers and editors from all around Australia.

The Kat Muscat Fellow is selected by the **Custodial Committee of The Kat Muscat Fellowship**, which includes members of Express Media's board and staff, the Muscat family and appointed community members. Past recipients include **Bri Lee** (2016), **Fury** (2017), **Ana Maria Gomides** (2018), and **Liana Skrzypczak** (2019).

The Fellowship is made possible with the generous support of the community and the Muscat family.

Applicants must be a person of an underrepresented gender or sex, and be aged 16 to 30 at the commencement of the Fellowship. Applications are open now until **11.59pm AEDT, Sunday 12 January 2020**.
