

Year Level: 8

Subject: Graphics

Semester: 2

Week	Unit	Learning Focus	Victorian Curriculum
1	Pattern and symmetry	Understand the meaning of symmetry, Explore examples of pattern, design and colour.	Explore how artists use materials, techniques, technologies and processes to realise their intentions in art works (VCAVAE034)
2	Pattern and symmetry	Apply our understanding of symmetry to our own designs. Explore a range of design options before commencing final copy.	Experiment with materials, techniques, technologies and processes in a range of art forms to express ideas, concepts and themes in artworks (VCAVAV035) Develop skills in planning and designing art works and documenting artistic practice (VCAVAV036)
3	Two Point Perspective	Understand the guiding principles of 2 pt perspective.	Explore how artists use materials, techniques, technologies and processes to realise their intentions in art works (VCAVAE034)
4	Two Point Perspective	Apply the principles of 2 pt perspective to your individual design.	Experiment with materials, techniques, technologies and processes in a range of art forms to express ideas, concepts and themes in artworks (VCAVAV035) Develop skills in planning and designing art works and documenting artistic practice (VCAVAV036)
5	Two Point Perspective	Apply the principles of 2 pt perspective to your individual design.	Experiment with materials, techniques, technologies and processes in a range of art forms to express ideas, concepts and themes in artworks (VCAVAV035) Develop skills in planning and designing art works and documenting artistic practice (VCAVAV036)
6	Dream House design- Layouts, symbols and line thicknesses	Explore and critique various plan layouts. Understand the symbols and line thicknesses used on house plans.	Explore how artists use materials, techniques, technologies and processes to realise their intentions in art works (VCAVAE034)
7	Dream House design	Explore and develop layout for individual dream house design. Apply knowledge of architectural symbols and line use.	Experiment with materials, techniques, technologies and processes in a range of art forms to express ideas, concepts and themes in artworks (VCAVAV035) Develop skills in planning and designing art works and documenting artistic practice (VCAVAV036)
8	Dream House design	Explore and develop layout for individual dream house design. Apply knowledge of architectural symbols and line use.	
9	Grid Enlargement	Understand the technique of enlarging an image using a grid. Apply the principles of grid enlargement to your chosen image.	Explore how artists use materials, techniques, technologies and processes to realise their intentions in art works (VCAVAE034)

10	Grid Enlargement		<p>Experiment with materials, techniques, technologies and processes in a range of art forms to express ideas, concepts and themes in artworks (VCAVAV035)</p> <p>Develop skills in planning and designing art works and documenting artistic practice (VCAVAV036)</p>
