

Parents & Friends Update October 2017

Teachers' Day

Coming up soon is **Teacher Appreciation Day** on Wednesday October 25th.

We love our hard working teachers and they really appreciate the annual lunch P&F provide in their honour.

As usual we ask families to **provide a plate of yummy food for their lunch on that day.**

Please put this date on your calendar and send food along on the day.

If you would like to help anytime 12 noon to 2.30 pm, please contact Bev on bevnick3903@gmail.com or 0428384410

PE Staff say thanks

Parents & Friends were delighted to receive the following acknowledgement from the PE staff recently.

"Dear Parents and Friends – Alexandra Secondary College,

On behalf of the Physical Education staff and our students I would like to thank you very much for your kind donation of the gymnastics tumbling strip.

This is an expensive item that we could not afford in our annual budget.

We have been doing gymnastics with our junior classes during term 3 and your donation has made it much safer and allowed more students to participate on floor work.

*Yours sincerely,
Anne Nadj."*

This funding support was one of many made this year by our P&F body - to the sum of over \$11,000. A super effort by our parent body - especially the Deb Committee and those who supported the Mum's & Dad's Day fundraisers and raffles.

Fathers Day Fundraiser

The Fathers' Day Rocky Road Stall and Raffle was a great financial success, grossing over \$1500. Yay! Thanks for your support.

Many thanks to parents who helped out and donated goods for the raffle - Anna Baker, Anne Baird, Bev Dick, Anne-Marie Ellis, Alan & Lisa Harding, Bec Nash, Inga Laurie-Rhodes, Alison Rouget, Simone Russell, Ros Smith, Dianne Thomas.

Coming Up

Year 10 parents will soon find out when the sign-up meeting for the Deb will be. Then they will form the committee to organise net year's Deb. Dancing practice will start soon after.

The P&F Committee has been discussing the school Landscaping Project, an initiative of parent Steve Prothero. If you are interested in finding out about this project, have ideas or skills to offer/share, then get in touch.
