ALEXANDRA SECONDARY COLLEGE

SEPTEMBER 12, 2022

WEEK 10

Footy Colours Day... One Team, One Fight!

On Friday, our SRC Committee organised an amazing day for our Students and Staff alike. We all dressed in our Footy Colours to support the Fight Cancer Foundation. We finished the day with our annual Penny Concert. Thanks to our SRC Committee for organising an amazing day for us all.

We are talking about..

What our Students will be
enjoying over the holidays.

*Wishing all our families
a wonderful two week
break.*

Principal's Report

On Friday there was a wonderful atmosphere in the College. It was full of colour (Footy Colours) and full of music with the Penny Concert. The SRC (Student Representative Council) ran a great Footy Colours Day on Friday, raising \$258 to support kids with cancer. There were many team colours worn on Friday with a pleasing number of students wearing black and white.

The "Penny Concert" is one of the great traditions of the College and it was great to have it back on Friday after two years of covid enforced hiatus.

This year's edition did not disappoint. We had ten acts that showcased the many and varied talents of our students from Year 7 through to Year 12. Congratulations to all of our performers. Well done to our winners Joss Lopez and Coby Scott and to Bainbridge who won the House side of the competition.

Congratulations to Bron Howell, who on Thursday was recognised by our Regional Director at a function in Wangaratta for her 35 years' service in Education.

Bron has been and is a great servant of our college. Countless students and staff are better off because they have been taught by, cared for or worked with Bron.

Our Year 10 and 11 students departed early this morning on our biennial Central Australia and Northern Australia Tour.

They are sure to enjoy the unique culture, history and geography of this part of our country. We look forward to following their trip on their Facebook account "2022 Central & Northern Australia September Tour".

With this being the last "Inside Out" for the term, we would like to wish our school community a wonderful September School Holiday.

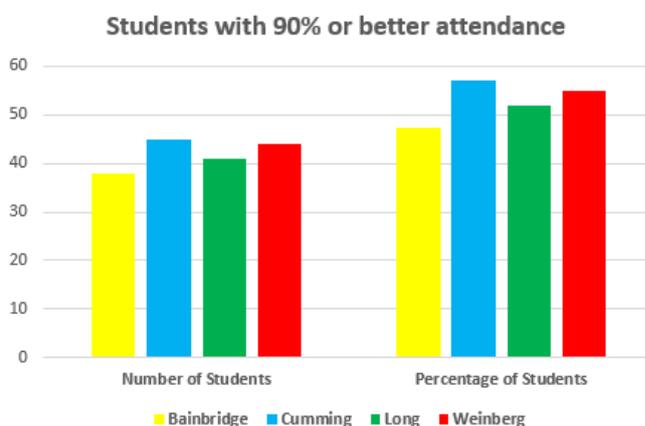

Congratulations to Cumming for winning the 100 points for the best attendance this term. Weinberg were second and Long third.

Wellbeing Programs

Last week we were extremely lucky to have 'The Man Cave' and 'Big Sister' programs come to ASC and work with our Year 7 – 9 students.

It's our goal to continue supporting the students in this space, and to do this we want to ensure the community around them is supported too.

Please visit the link man cave link for tools to support the boys post-workshop.

EXPERIENCE

Debutante Ball 2023

It is that time in the Year where we begin to make plans for the next magical Debutante Ball.

On Wednesday the 5th of October, the first Wednesday in Term 4, there will be a meeting for all Debs and their partners. A parent must also please attend.

Please don't be put off if you have yet to organise a partner, the meeting is for everyone who is interested in participating in the 2023 Ball.

The meeting will be held in the School Cafeteria at 6pm.

We will talk about organising a dance trainer, go into more detail about what's involved in the training as well as costings.

On this night, we will also form the 2023 Deb Committee, the students will organise who they want to be their Debutante Representatives, as well as pick a theme for the night.

We look forward to seeing you.

Our students thoughts on ...

Their upcoming School Holiday Plans

I am going to be driving up to Queensland these holidays to catch up with some of my distant family.

Kloe Morton

These holidays I will be travelling to Tasmania to compete in the Extreme River Race. Ill then fly to Sydney to help coach in a Slalom Camp at Penrith White Water Stadium. Then I'm off to the Snowy River for another extreme River Race.

Ky Hughes

Ill be taking to the sky's these holidays to get my Sky Diving hours up, now that I am qualified from last holidays.

Catherine Collett

Being in Year 12 means that these holiday's will just be extra Exam study time for me.

Alex Brodribb

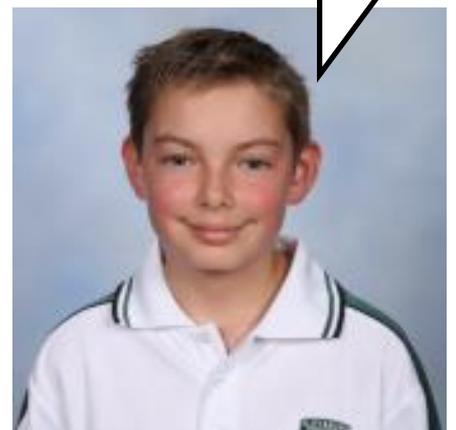

We have Family Friends coming over these holidays for Birthday Celebrations.

Brody Ricco

Ill be Studying for my Exams and getting in some exercise....and Ill make dinner for my Mum.

Joss Lopez

Year 12 VET Hospitality News

The Year 12 VET hospitality students had an excursion to the Buxton Trout and Salmon farm for a tour and tasting.

They learned about the various markets that they are a part of both in tourism and wholesale where they grow and sell several varieties of ethically grown trout, salmon and caviar. Students underwent a tour of the farm where they got to see the hatchery and smokers.

They learned about the major restaurants that the farm supply locally and within the Yarra Valley and Melbourne and what is trending with them now. They each caught a fish which they ate as sushi mi and cooked on the BBQ as well as smoked. We thank the Management and Staff at the Trout Farm for having us.
