ALEXANDRA SECONDARY COLLEGE

AUGUST 12, 2022

TERM 3 WEEK 5

It was a great week to have a great week!

What a huge week we have had here at A.S.C! We enjoyed a fantastic College Open Night, getting to meet our new families and catch up with some of our existing families. Our students have been completing their subject selections for next year, we had an Alice Sloan excursion AND we had Term 3 Round Robin today.

We are talking about

The Subject Selection Process

Thank you to all of the wonderful families that attended our open night.

Principal's Report

It was fantastic to see so many families at our Open Night on Wednesday. It was especially nice to meet our new parents and students and welcome them into our College Community.

Subject selections are due for students going into Year 9 by Monday 22nd August.

Students going into Year 10, 11 & 12 in 2023 should have handed their forms in today.

At any time, if students or parents have specific questions about subjects, our teachers are very happy to be contacted; remember all teacher emails are on the College Website.

Our Alice Sloan girls visited our sister school, Toorak College, on Wednesday. Our girls gave an excellent account of themselves, addressing the Year 9 Toorak girls about the benefits of joining the Alice Sloan Trust. Many thanks to Bron for taking the girls and her ongoing running of this excellent program.

Yesterday our School Reviewer, Stephen Daly, and our Senior Education Leader, Steve Rogers spoke to groups of students and teachers to get their insight into our College. They will spend one more day, Wednesday 24th August, working with our Leadership Team and Challenge Partners: Sandra Bishop from Marysville Primary School and Kimberley Tempest from Cobram Secondary College. They will use the knowledge gained from these days to help form our Strategic Plan for the next four years.

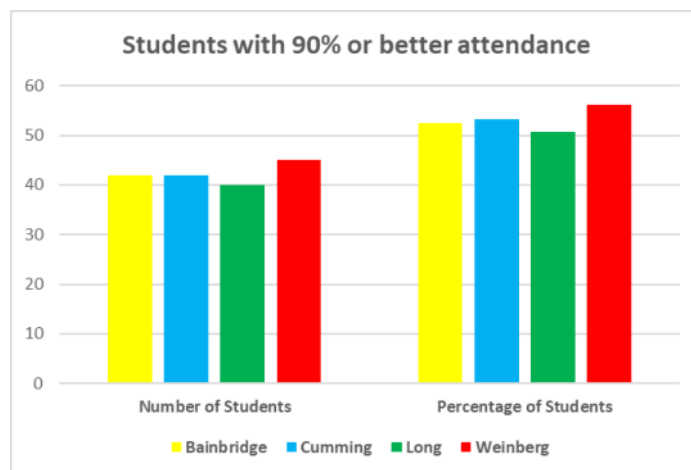

Have a wonderful weekend everyone.

2021 School for Student Leadership students complete CLP

During Term 4 2021, Azzle, Matt, Paige, Oli, Ruby and myself had the opportunity to go on a 5-week leadership program, known as the School for Student Leadership.

As part of this program, we were required to design a Community Learning Project (CLP) to take back to our school for the betterment of students. We decided to focus on the mental health struggles that are prevalent in our community, and even more so after years of Covid. Our idea was to hold a 'Walk-to-Talk' where Year 7s and 8s would have the opportunity to walk around the oval and have a chat with their friends. We had regular meetings, and everyone had their own jobs to complete in order to organise the event.

We then went to Year 7 and 8 Lifeskills classes to explain our project and why mental health is an important issue to discuss.

The 'Walk-to-Talk' was held during a Wednesday lunchtime, and it brought a good turnout of students to the oval.

Participants were rewarded with Zooper Doopers for completing a minimum of three laps. Overall, the CLP was a success and a great learning opportunity for all of us.

School Trap Shooting Championships.

On Thursday, five of our students set off to Echuca to compete in a Clay Target Shooting School event.

It was a rainy beginning to the competition, which proved to increase the challenge of the Shoot for all competitors. However once the skies cleared in time for the second round, everyone's marksmanship improved.

The squad of five, consisting of Emmie and Cam Clark, Blake Coward, Coen Miljkovic and Caleb Carden, were competing against 14 other schools in the north east zone for the school trap shooting championships.

Whilst the team may not have come home with a prize, they had a fantastic time, and look forward to returning again next year.

We are all very proud of our students who took the time to travel across and represent our school in such a unique event. We would also like to thank Ben Clark and Stu Coward for transporting the kids and chaperoning them on the day.

We are talking about ...

Subject Selection Process

Subject selection was too easy for me because I already knew what I wanted to do!

Blake Coward

I already knew that I really wanted to do Woodwork, but I had to really think about the others. I'm a bit excited.

Lochy Park

When I was selecting courses last year I was wishing for more options with Technology subjects.

Xavier Galloway

Sometimes subject selection can be stressful because when you make the decision it feels like you are locked in.

Chikita Richter

At my Year level, subject selection is pretty easy. I am following on with the subjects I chose last year.

Tamika Poustie

I feel excited about subject selection because I get to learn about new things and try different subjects.

Casual Support Services Assistants

We are looking for enthusiastic team members to join Alexandra District Health. Our Support Services Assistants work across our catering and domestic team. Shifts are available to work around your school commitments including evenings and weekends.

About the Role:

The casual positions are responsible for assisting in the preparation of meals, the administration of food services, the distribution of meals and the cleanliness of the kitchen ensuring Food Safety Plan (FSP) objectives are met at all times.

Whilst working within the domestic services area staff are responsible for maintenance of hygiene and cleanliness standards in the hospital, ensuring the work place is safe at all times for patients, clients, staff and the community.

Successful applicants will be required to undergo a current National Criminal History Check, hold or be willing to undertake a Working with Children Check and have their Covid-19 and Influenza vaccinations.

For further information regarding this role please contact Juliana McCashney, Manager People and Culture (03) 5772 0997 or email Recruitment@adh.org.au.
