ALEXANDRA SECONDARY COLLEGE

AUGUST 17, 2022

TERM 3 WEEK 6

**Come with a dream,  
train like  
an athlete,  
leave like  
a role model.**

We are extremely proud of our very own Noah Campbell and Danielle Nadj for making it onto the Victorian team to represent the State in Volleyball. You are already Champions to us.

### We are talking about

Qualities that make great Teachers

*Next edition of the  
Inside Out  
Monday 29th August*

# Principal's Report

We wish Danielle Nadj and Noah Campbell all the best for next week as they represent Victoria at the National Volleyball Championships in Queensland. We look forward to them reporting back to us on what is sure to be a rewarding experience.

It was sad to say goodbye to Sayaka and her mother Miku today. They have been wonderful guests who have made positive friendships in a short time. We also thank them both for their help with Japanese classes both here and at some of our local primary schools.

Our Curriculum Day on Wednesday was incredibly productive for our teachers as they concentrated on differentiated learning for our students. Teachers worked all day in their subject areas on tasks, plans and strategies to help stretch individual students at their learning point of need.

## Thanks to the organisation of Mike Dalmau and Felicity Wilmot a group of our senior students took part in an Eildon Houseboat Industry Immersion tour.

Our students were able to meet a large number of employers and visit multiple business sites to be exposed to career pathway options on our back doorstep.

Well done to all of our students who took part in the last "Round Robin" of the year on Friday. Special congratulations to our Intermediate Girls Table Tennis who qualified through to the next round.

# Noah & Danielle off to State

## Noah Campbell and Danielle Nadj are off to Queensland next week to represent Victoria at the School Sport Australia 15 and under National Championships.

Both Noah and Danielle were selected for the Victorian Team after training began in late April involving weekly training sessions for the last 3 months.

The students of Alexandra Secondary College will depart Melbourne on Sunday, heading to Caloundra on the Sunshine Coast, where they will compete against teams from Queensland, South Australia, New South Wales and the Australian Capital Territory.

The two will compete in competitions from Monday through to Thursday. Medal play offs will be held on Friday.

We wish the whole team the best of luck and are extremely proud of both Noah and Danielle. Both are well known around our school for their fantastic sporting abilities, but even more so, for their kindness and compassion to others.

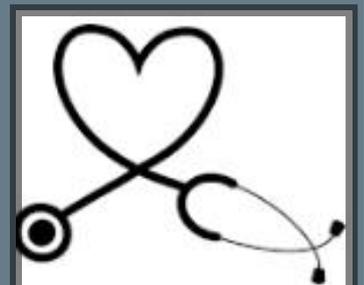

Noah and Danielle, in our school community, you are already gold medal winners. Best of luck next week.

### Doctors in School Program

Don't forget our onsite Doctors clinic is open every Wednesday. You can make an appointment with Dr Manthi and Nurse Practitioner Lara, by calling **Kerry** on 5770 2010.

**Take advantage of this great opportunity.**

# Round Robin Basketball Report

**Last Friday the 12th of August , myself and eight other girls went to Seymour for Round Robin basketball.**

Along with myself, Eva, my other team members were Aylah, Abby, Ashlee, Ava, Ashlyn , Chelsea, Jamie and Marli. We won two games and unfortunately lost one game. Our losing game was to Mansfield, 15 to 4, however we won our other games against Euroa, 9 to 12 and St Mary's 5 to 28.

St Mary's was down on players because one of their teammates was injured. In an act of good sportsmanship, Jamie volunteered to play on their team, and she shot three of their five points.

Our defence was on fire, we rebounded a lot of goals, and a lot more of our own goals. A LOT! Lets just say we are defenders, not shooters.

Mansfield made it to the finals from pool A, which was the pool we were in., and they won. We met up with the boys who had the same results as us. Two wins and One Loss. They also lost to Mansfield. Copycats!

Everyone on our team tried really hard and I think they did an awesome job. - Ava Twitchett

# Round Robin—Year 7 Boy’s Basketball

**Our Year 7 Boy’s Basketball team, consisting of Kayden Armstrong, Tom Clark, Cam Clark, Noah Jack, Heath Sutcliffe, Fletcher van Lierop, Matt Wal & Jesse Winch headed to Seymour Sports and Aquatic Centre for last Friday’s Round Robin. Unfortunately Toby Lucas was injured and couldn't join us.**

Leading up to the Round Robin, each member of the team had shown an excellent commitment to the lunchtime trainings.

The team played a great brand of basketball all day, showing positive comradery with each other and enjoying great sportsmanship with all of the other teams.

Unfortunately we were beaten in our first game by Mansfield Secondary College. We gave a good account of ourselves through the court, but Mansfield converted more of their chances.

Our zone defence was particularly effective in our last two matches. We won comfortably against Yea. In our last game against Euroa we had a big lead at half time but Euroa came back strongly. Despite this, we held for a good win over Euroa in the end.

It was an excellent day where each member of the team made valuable contributions in every game.

# Farewell Sayaka さようなら さやかさん

**Today was Sayaka's last day at Alexandra Secondary College. Sayaka has attended classes with us for the past three weeks.**

. Sayaka was keen to learn about Australian schooling and lifestyle and chose to come to experience Australian life first-hand in Alexandra, due to her family's close connection with our town.

As well as attending regular Year 10 classes, Sayaka has been a guest in Japanese classes during her time with us.

This gave our junior students the opportunity to perform their 'Jikoshoukai' (self-introduction) to a 'real' person and to ask questions about life in Japan. Sayaka's mother, Miku has also been a wonderful support in junior Japanese classes.

We have loved having you with us, Sayaka.

Thank you for your positive contributions to ASC school life during your time with us.

# Girl Link 2022

**On Monday & Tuesday this week, our amazing group of Year 11 Alice Sloan girls were joined by 35 Grade 6 girls from our local Primary Schools at the Girl Link camp.**

The focus of the program was for the Alice Sloan girls to lead activities to help the Grade 6 girls get to know each other and feel comfortable about coming to Alexandra Secondary College. We thank the Alice Sloan girls and the wonderful staff at OEG Camp Marysville for ensuring the girls had a great time and look forward with great excitement for the Grade 6 girls to join our college next year.

We are talking about ...

## What makes a Teacher, A Great Teacher?

I really like a good sense of humour from my Teachers, this helps me to relax in the classroom and I learn more that way.

*Brody Ricco*

A great Teacher is one that really tries to make the lesson interesting for everyone, and then tries to help those who are having trouble understanding .

*Pollie Fletcher*

A teacher that makes a connection with their student always makes a great Teacher.

*Mia Creighton*

I really enjoy learning from a Teacher that is patient, and who takes extra time to help the kids that don't understand some of the lesson. Fun activities also help with learning.

*Emmie Clark*

A great Teacher has a good understanding of their subject area, shows interest in the subject, and knows how to work with more challenging students.

*Harrison Young*

A great Teacher is one that listens and helps you, but doesn't make you feel like you cant do something.

*Ruby Miljkovic*

## The Wear it Purple Story

Wear it Purple was founded in 2010 in response to global stories of real teenagers, real heartache and their very real responses. In 2010, several rainbow young people took their own lives following bullying and harassment resulting from the lack of acceptance of their sexuality or gender identity.

One member of this group was 18 year old Tyler Clementi who took his own life after being publicly 'outed' as gay by his roommate, prompting a frenzy as reports poured in of various young people sadly in the same situation.

As the world saw the faces of precious young lives lost, some young people found a new sense of conviction and purpose to ensure that young people everywhere would know that there were people who did support and love them. *Wear it Purple* was established to show young people across the globe that there was hope, that there were people who did support and accept them, and that they have the right to be proud of who they are.

Since 2010, when *Wear it Purple* was co-founded by **Katherine Hudson** and **Scott Williams**, wear it Purple has developed into an international movement. New generations of rainbow young people continue to be dedicated to promoting the annual expression of support and acceptance to rainbow young people.

What started out small has now grown; however the message remains the same. Everybody has the right to be proud of who they are.

So, join us this year, on **August 25th** to celebrate **Wear it Purple Day**. Be part of a movement that has the potential to save thousands of lives. Be part of this change.

**Bring gold coin donation and Wear it Purple! Prize for the best dressed, courtesy of the Murrinidini Shire Council. There will be a few activities on during lunchtime so come and check out the student shelter.**

**To find out more about Wear It Purple and the importance of this youth run event please visit <https://www.wearitpurple.org/>**

# Out & About— Our week in pictures

*Corky's Ninja Challenge is full of great problem solving activities that our kids are enjoying at lunchtimes.*

# VET Hospitality Family Dinner Evening

Check out the amazing dishes our parents were able to sample on their night out with our gorgeous hospitality students.

Well done guys!
