# Principal's Report

Student/Parent/Teacher Night was a positive evening on Thursday. Parents are the most significant adult in a student's life, and we are blessed with wonderful, constructive parents who our staff enjoy working with. Our structure is such that we only have two formal occasions to meet with parents every year. However, our staff are always happy to answer an email or take a phone call at any stage. All staff emails are on our website <http://asc.vic.edu.au>.

We had a number of students who did a fine job representing the College in the community on ANZAC day. We owe so much to those who have served and to those who made the ultimate sacrifice so that we may have the good fortune to live in a peaceful and free society. It is heartening that so many of our young people involve themselves on this day by attending ceremonies and representing different organisations, reflecting on the sacrifices others have made for us. Amy Harvey laid a wreath for the College in Eildon, College Captain Anthony Lee in Marysville. In Alexandra Danielle Nadj and Mia Creighton laid a wreath on behalf of Federal Member of Parliament Helen Haines, Mikaela Lyttle

on behalf of State Member of Parliament Cindy McLeish, and Gemma Frean laid a wreath with the Scouts. Our College Captain Louise Hurrey and Vice-Captain Ky Hughes did an excellent job representing the College at the Alexandra Service, unfortunately their reading of the requiem was accidentally missed at the ceremony. James Nicholson and Jackson Burns both represented their individual Air Cadets squadrons.

Our annual Athletic Sports are fast approaching. They will be held on Friday May 12th. We love having parents, grandparents and family joining us to watch, so please feel very welcome to attend on the day.

# NEVR Music Camp

**The last week of Term 1 saw 8 Alexandra SC students attend the annual NEVR Music Camp in Beechworth alongside over 80 students from over a dozen schools. This is always a highlight on the music calendar.**

Students play 30+ hours of music over 3 days in various ensembles, are tutored by some great musicians and teachers and make a whole lot of new friends. Needless to say they return feeling enriched, content and with a smile from ear to ear!

Here's what a few of the students and parents had to say about this amazing experience:

"It's my child's 2nd time at the music camp and each time she comes back singing praises about her experiences. Life is not all about watching screens and the truth is all our Kids are hooked but not at music camp! "Do the maths" is a common expression meaning come to a conclusion based on the relevant facts. The facts are well documented, music enhances engagement and wellbeing, increases personal and social development and improves outcomes in other curriculum areas. So "do the music" because it's good for you!"

"I really love music camp, I always have so much fun and I meet such amazing people and it is a place that I feel safe and I never get judged. I've learned so much on these camps and I would be really sad if we won't be able to do them anymore"

"Music camp has been incredible for my kid. To meet other kids who love music and are creative has done so much for their confidence and esteem. Sometimes going to a country school can make it feel like you will never find your 'people' but this camp has shown them that there are so many people out there that they can relate to! Not to mention the incredible improvement on their instrument in just three short days, and confidence in performing. They're already looking forward to camp next year!"

# 100 Days to go for our Year 12's

**Last week our Year 12's got together to acknowledge that they only have 100 days to go till the end of their ASC Journey.**

To commemorate the occasion, the Year 12's dressed up as their 100 year old self. A lovely day was had by all, although sentimental about the occasion,

these guys look forward to making many more wonderful memories in their final Year at ASC.
