## Principal's Report

We had a fantastic Athletics Sports on Friday. It was a day of healthy competition, wonderful encouragement of not only teammates but also people in other Houses. It was a day of excellent integrity and sportsmanship. It was wonderful to see a good number of parents come along and watch. We had great student, staff and parent helpers on the day. We are very thankful to Ally Crouch and Paul Francis for their superb overall organisation of our athletics carnival.

Thanks to Mr Nadj we had boys and girls Volleyball teams compete in the second division of the Intermediate age group in the Victorian Schools Volleyball tournament last Tuesday.

A huge congratulations to both teams for taking out second place, a sensational effort.

This Wednesday, 17th May, is a student free day at the College. Teaching staff will be busy on the Curriculum Day working in their subject teams, planning curriculum and assessment.

In the afternoon we all are focusing on how we embrace Australia's rich aboriginal culture in our school with "Cultural Understanding and Safety" training.

Last week the Murrindindi Historic Vehicle Register donated \$200 to the College. They hope to do this annually. The money will be given to the SRC (Student Representative Council) to decide how to use the donation with our students. I would like to thank the members of the car club for their generosity and consideration for the young people of our College with this gift.

Every day of learning makes a positive impact. It was a shame that some students chose not to come to school and get involved with the athletics as we know the more students get involved at school the more connected and successful they are.

# Our favourite part of Athletics day is....

I really enjoyed doing the relay and javelin with my friends. I also just enjoyed hanging out with them at the sports.

My favourite activity at
Athletics was competing in
Javelin. It was nice to be
able to do this with my
friends.

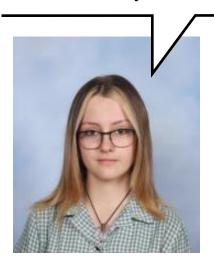

**Emily Rowntree** 

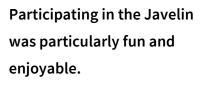

It was fun to go and watch the sports, I wasn't able to compete due to my injury. I also liked watching people play footy, and enjoyed their costumes.

Piper Rooney

I enjoyed how encouraging everyone is. I also love that even the people that cant run or throw due to injuries, still come to support their team.

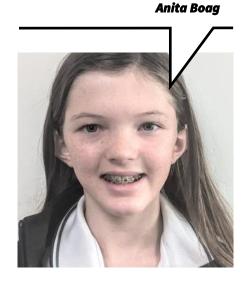

Finn Rolfe

Athletics was so much fun, there was just so many things to do.

Chloe Lovett

# College Athletic Results

## Individual Age Champions

#### 12-13 female:

Runner up - Cassie Kidd on 40 points

Winner - Lucy Bowdern on 48 points

#### 12-13 male:

Runner up - Seth Pilcher on 44 points

Winner - Aiden Campbell on 48 points

#### 14 female:

Runner up - Ash Collett on 38 points

Winner - Marli Coller on 50 points
