TERM 3 WEEK 2

## A Champion Group!

Last week we had a fantastic group of students head to Yarra Glen to represent our school in the State Cross Country Competition. They did us proud! Not just on track, their attitude to everything they commit to is inspirational. Their enthusiasm and kindness they show to others should be commended and is worth celebrating. Well done Champions!

# Principal's Report

Congratulations to Kloe Morton, Milly Weeks, Chelsea Webb, Aiden Campbell, Casey Collett, Callan Howell, Nathan Hendricks and Noah Campbell who all qualified for and ran in the State Cross Country last Friday. It is a fantastic individual achievement to qualify for this level of competition. A huge thankyou to Mrs Crouch who took our team down to Yarra Valley for the State finals.

We would also like to congratulate Pollie Fletcher and Jackson Burns who were selected to attend the John Monash Science School for a three-week program that began today. Both will be staying with host families down in Melbourne. This is a great opportunity for our current Year 9 students to look out for next year.

“Man Cave” and “Big Sister” were back in our school last week running a refresher half day course with our Year 8s, 9s and 10s. Both of these groups do a wonderful job helping each cohort come closer to together with their empathy and understanding of each other. Our hope is that this program also helps students to open up and talk about their feelings, rather than bottle them up, with their family, friends and teachers and to seek further support if needed.

We have 208 students who have made the perfect start to the term with 100% attendance, well done!
