I would like to acknowledge the traditional custodians of this land. I pay my respects to the Elders past, present and emerging. For they hold the memories, the traditions and the culture of Aboriginal and Torres Strait Islander people across the nation.

Principal's Report

It has been nice to welcome students back to school today. We hope you have all had an enjoyable break.

We have some staffing changes to make you aware of:

- Rebecca van Lierop is Acting Assistant Principal for the entire term as Emma Kidd enjoys some well-deserved Long Service Leave.
- Peter Woof has joined us as a Maths/Science teacher, taking over Marian Rice's allotment as Marian now enjoys her retirement.
- Yvanya Stekerhofs has joined us as a teacher aide, 3 days a week.

We know that Peter and Yvanya are going to enjoy the welcome they receive from our great school community.

We held the first meeting for our new school council in the last week of term one. Phil Campbell is our new School Council President and Stuart

Coller is Vice President. Our other parent representatives on council are Stu Coward, Ian Fletcher and Christina Irwin. We are very thankful to our parent councillors for volunteering their service in this important role.

Interim reports will be available to students and families from tomorrow. We are looking forward to discussing these reports with parents and students at our Student/Parent/Teacher Day on Wednesday 1st May. Information on how to book interview times will be in next week's "Inside Out".

Each day of learning has a positive impact. Remember each term we award 100 points to the House with the best attendance, 60 to the 2nd best House and 40 to the third. Congratulations to Long for having the best attendance last term.

Hume Regional Champions - ASC Year 7 Girls

A cohort of twenty enthusiastic Year 7 girls have been training two times a week since the start of the year. During this time, we have worked on improving skills, communication and developing teamwork. Their commitment has certainly paid off, with our A Team defeating the following teams: Broadford (30 to 23), Euroa (37 to 23) and FCJ Benalla A (34 to 28). Unfortunately, our B Team was defeated by the following schools: Seymour (36 to 27), St Mary's Seymour (16 to 6) and FCJ Benalla B (40 to 18). Alexandra A and FCJ B qualified for the grand final having won all games in their pool. Final results were Alexandra 40 to FCJ B 28.

As the day progressed, our skills improved significantly. Serves were harder, faster and more powerful. We had some great rallies, with the girls pushing the ball back and using their smarts to place it where the opposition was not.

I was extremely impressed with their sportsmanship and encouragement of each other.

Thank you to Brodie Wheelhouse who came along and did a wonderful job scoring, supporting myself and the girls. What an absolute pleasure to take these girls away. They represented our college admirably.

We will play off in the North East Region championships later this year. All girls are encouraged to train once a week, as they are eligible to play (or support) at the next level. I will have some tough decisions to make.

Top Arts Excursion

On Thursday 21st March six year 12 Art Making and Exhibiting students went to the city to visit Top Arts at the National Gallery of Victoria in Federation Square. It is a requirement in their course to visit 2 exhibitions to see how a gallery operates. We also walked up Hosier Lane to look at the art walls. We had a great day looking at artworks that they have studied in the past and what last year 12 students submitted.
