ALEXANDRA SECONDARY COLLEGE

MAY 20, 2024

T2 WEEK 6

Every mountain top is within reach, if you just keep climbing.

Last Friday our exhilarated but exhausted group of Year 11's returned from their seven day expedition. The expedition included a combination of camping, hiking and climbing Mount Cathedral, mountain bike riding and rafting. Our Kids would like to thank Meg Bonsema and the Rubicon Outdoor School for all of their hard work enabling the program.

Round Robin

Pics and how we placed at Round Robin last week.

Principal's Report

Congratulations to our Year 11 Leadership Group who returned from their 7-day camp on Friday. They had cool but mostly sunny weather conditions to push themselves physically and emotionally during the week. Staff reports have been glowing about the camaraderie, positive attitude and leadership and personal growth shown by our students. Thanks to Meg Bonsema, Belinda Shaw and the staff at Rubicon for an excellent camp.

We had a very positive Round Robin event on Tuesday. All of our teams represented the College well on and off the court. Thanks to Mr Francis, Mr Mawson, Mrs Nadj, Miss Butcher, Mrs Crouch and Lisa Francis, Pep Hoornweg and Natalie Stewart for their coaching of our teams.

In today's school assembly we were able to acknowledge and publicly congratulate the winners and runners-up of the Age Champions from our recent Athletics Sports, held on May 3rd.

Age Group	Girls Winner	Girls Runner-up	Boys Winner	Boys Runner-up
U18	Ruby Russell	Tahlee Christie	Ben Weeks	Will Wright
U17	Danielle Nadj	Milly Weeks	Nathan Hendricks	Drew Collier
U16	Aiqha Mosquit	Darcy Kidd	Sam Harris	Matt Waixel
U15	Owen Fordan	Max Gleeson	Marli Collier	Ashlee Collett
U14	Hannah Weeks	Ava Carr	Seth Pilcher	Logan Conway
U13	Cheyenne Richards	Charlotte Boulton	Levi Campbell	Chase Hilder

A special mention should be given to Levi Campbell who broke the 200m Dash, his new time of 28.06seconds broke the 1984 record.

Choosing to be at school and choosing to learn and so improve our future lives is a positive and clever choice.

Guardians of the Earth to meet Dr Jane Goodall

We are Going to Meet Dr Jane Goodall!

GUARDIANS OF THE EARTH

Five members from our student Green Team, 'The Guardians of the Earth' will give a private presentation to Dr Jane Goodall at the Melbourne Museum on June 3rd. This is an incredible honour for our College as we are one of only five Victorian schools to be selected.

Dr Jane Goodall is a legendary conservationist from England and she is currently on a Global 'Reasons for Hope' Tour to celebrate 60 years of conservation work.

Jane's discovery in 1960 that chimpanzees make and use tools and it's not just humans who are complex thinkers, is considered one of the greatest achievements in Science this century.

It's a once-in-a-lifetime opportunity for our students and we were thrilled to learn that we had been selected last week.

Ours students will tell Jane all about the College's major rehabilitation project along the UT Creek riparian zone at the back of Briggs Oval.

We will talk about our collaboration with the Shire of Murrindindi and the Upper Goulburn Landcare Network and our incredible Planet Ark Grant of \$3000 which has allowed Euroa Arboretum to set aside 850 native trees, shrubs and sedges for us to plant in July. The focus of the presentation will be how the rehabilitation will provide habitat for our local native animals.

Lunch time near S1

All students are most welcome to come along and build a native bee hotel

GUARDIANS OF THE EARTH HOSTED EVENT
Thursday 30th May

Victorian Native Bee Hotel Making Workshop with Expert Clancy Lester

MATERIALS WE NEED: Empty 1lt UHT rectangular milk containers, bamboo, aged hardwood logs, PVC piping.

Clancy Lester from Melbourne University

Our students thoughts on ...

What they are loving about their Science Class

Mitch enjoys learning in his Science class, however he also says that Mr Woof is really fun to be around.

Mitch M

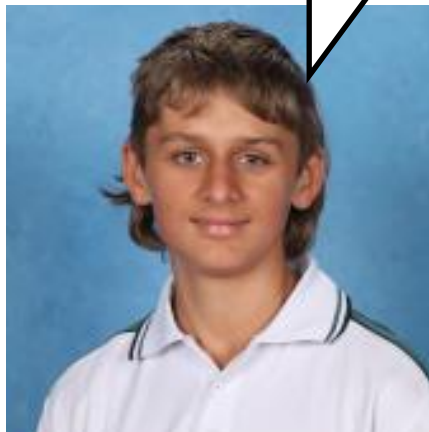

Lottie loves doing fun Pracs in Science, she also enjoys being able to be in class with Ruby and Ada.

Lottie W

Jordan's favourite area in his Science class is when he is able to participate in class experiments.

Jordan C

Madison enjoys participating in experiments that involve the use of acids and bases, she also loves that she gets to do this with her friends.

Madison W

Lilah is currently really enjoying learning about the use of acids and bases and how you can use them to make salt.

Lilah WG

Cody has Science with Mr Woof, he enjoys this subject as he thinks Mr Woof is a really cool Science Teacher.
