Principal's Report

We are looking forward to seeing a lot of our current and future families and students at our Open Night, next week, on Wednesday 31st July. Please put this night on your calendar. This is an important opportunity for students and parents to speak to staff and listen to information sessions, to get the knowledge needed to make good subject selections for 2025.

All families of students going into Year 10 and Year 11 are strongly encouraged to make an appointment with Phil Stephenson, our excellent Careers Coordinator, either on the night or on another day, before making final subject selections. Bookings can be made through Sentral or the Front Office and have gone live today.

The Open Night also provides an opportunity for families to wander through the College to:

- See the wonderful facilities we have and take in the displays and activities that demonstrate the strong learning and talent of our students.
- Speak to teachers from all subject areas.

We have substantially increased our teacher aide support in classes this semester, using new Disability Inclusion funding. It is exciting to welcome Simone Creek, Heather Grahame, Gabbi Coy and Chrystal Turnbull to our classroom support team and our school community.

It is very even in the Attendance component of our House Competition, with Long having a slight lead.

Levi Campbell represented ASC at the School Sports Victoria State Cross Country on Thursday, August 18th. Despite challenging conditions of cold, wet, and windy weather, Levi showed great determination and finished 19th out of 95 students, with a time of 12 minutes and 44 seconds. Congratulations to Levi on his impressive achievement! - Mrs Crouch.

PLANET ARK TOYOTA

SCHOOL TREE PLANTING DAY

Friday 26th July – starting at 9.30am, ending 1pm

UT Creek Riparian Zone behind Briggs Oval

The Planet Ark, National Schools Tree Planting Day is this Friday, 26th July.

Students have been cleaning up the UT Creek riparian zone at the back of Briggs Oval throughout Semester One in preparation for the big day. It's a very exciting time for us!

Our student-led green team, '**The Guardians of the Earth**' are hosting the event and **all students are welcome to participate**. Classes of students will join in the fun throughout the day. It will take many hands to plant 850 native seedlings! Students who wish to plant a tree or help out but are not in a class already planning to come along, should contact Ms Stuart.

We also extend a **very warm welcome to the wider College Community**. Visitors will need to register at the marquee located at the back of Briggs Oval from 9.30 onwards.

Please wear **sturdy shoes** and bring a change of **socks and pants** as you will need to kneel to plant. We also recommend bringing **garden gloves** and a **water bottle** for this thirsty volunteer work.

Any queries can be emailed to penny.stuart@education.vic.gov.au
