Pg.1

#### Principal's Report

Keeping you up to date with college news

Pg.4

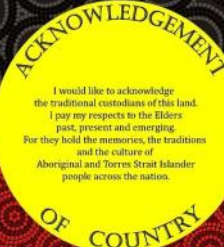

#### Hume Aths

Exciting news from Hume Athletics.

Pg.6

#### Transition

Grade 6 Transition a day in Pictures.

# Principal's Report

Welcome back to our students for Term 4, another year speeding by, we trust you all had a pleasant re-energising break.

Term 4 is a term filled with occasions like College Assemblies and our Presentation Night where the college community come together to acknowledge, recognise and celebrate our students' achievements over the 2024 school year. This is also the term in which we continually engage our students in their learning, so they consolidate/refine their skills attained so far this year. Through our Head Start program we will also set the foundations so that our students are prepared for the learning challenges of the 2025 academic school year.

For our Year 12 students and our Year 11 students completing a Unit 3&4 subject the next week and a half will be a valuable time to consolidate their year's learning and to ensure they are prepared for their upcoming exams so they can achieve their personal excellence. For some of our students these coming weeks can be a time of mixed emotions and we urge our students to have a balanced approach towards their studies to ensure they prioritise equally their wellbeing as well as seek assistance from their teachers if they are encountering difficulties.

It is our privilege to invite all Year 12 families to our Year 12 Final College Assembly and Lunch, on Tuesday 22nd October. This special assembly brings together the college community to celebrate our Year 12 students' dedication, effort and successes over their 13 years of schooling. This assembly is also an opportunity for our college community to wish our 2024 Year 12 cohort every success as they commence their transition to University, TAFE, Apprenticeship/Traineeship or Employment in 2025. Following the assembly, each of our Year 12s lay a memorial paver, which is a great photo opportunity. More detailed information regarding these celebrations have been sent home to Year 12 families.

Speaking with our Year 10 and 11 students who returned

from the College's Central Australia Tour at the start of the holidays, it sounds like the trip was memorable, fun and a huge success. We are indebted to Penny Steuart for her organisation of the trip and to Rebecca van Lierop, Kerry McGahy and Phil Stevenson for generously giving their time, support, energy and care chaperoning our students.

Congratulations to our Athletics Team who went to Hume finals on Thursday. Levi Campbell, impressively won the 13 Yr Old Boys Age Championship. A special congratulations to Nathan Hendricks and Jamie Nash who won their events. Nathan has qualified for State in the Javelin. Thanks to Emma Kidd and Anita Carr for their long and positive day with our athletes.

Friday was a vibrant day in the College with all our Grade 6 students spending the day with us. Our Year 10s did a great job leading groups in engaging and fun activities, so a huge thanks to them and Miss Parbery.

Sadly, Jess Collins resigned for personal reasons, she is devastated to leave us and we are devastated to lose her. Jess has been coming back from Shepparton to look after her Year 12 class, which speaks to the wonderful professional that Jess is. We have covered her other classes by employing Hagan Mathews to teach Humanities and with Penny Steuart and Phil Kim to teach Life Skills.

We also welcome Barbara McKinnie to our staff. Barbara is taking on Jacki Tossol's allotment for the next four weeks while Jacki is on Long Service Leave.

Emma Kidd will be Acting Principal and Rebecca van Lierop will be Acting Assistant Principal for the second half of this week and all of next week as I take a short Long Service Break to travel to China with my wife.

At the beginning of November, we will be asking students to wear hats if they are in the sun or to sit in the shade. Our yard duty staff carry sun block for students. Each year we lose too many good people too soon to skin cancer, so let's be sun smart!

## Year Level Co-ordinators

### Year 7 -

**Sharon Parbery**

# Meet your 2025 Female School Captain Candidates

Meet Mikaela Lyttle.

What Subjects will you be studying in Year 12?

**Next year I will be studying English, English Literature, Health and Human Development, Maths Methods, and Chemistry, and I am currently doing Year 12 Biology.**

What are your career aspirations?

**At the end of next year, I've signed up to volunteer in Ghana for five weeks and work in childcare, which I am really excited about and will definitely motivate me through year 12! It is then my dream to study to become a midwife, as I believe it is such a rewarding and impactful career.**

What are your hobbies and Interests?

**I love to watch sunrises and sunsets whenever I can; I also love to read, cook, and hang out with my friends and family.**

Why would you like to be the ASC School Captain?

**I would love to be your 2025 female College Captain because such a significant role will help me grow not only as a person but also as a leader, and contribute to creating a positive and inclusive environment where everyone feels valued and heard.**

Meet Ruby Miljkovic

What Subjects will you be studying in Year 12?

**In Year 12 I will be studying Psychology, Legal Studies, English Literature, English, and General Maths.**

What are your career aspirations?

**I would love to make it into the field of Criminology, and do something with Creative Writing**

What are your hobbies and Interests?

**I have always loved reading, and am very interested in psychology**

Why would you like to be the ASC School Captain?

**I would love the role of School Captain as I believe I can bring lots of beneficial skills and knowledge to the role, and help create a positive community .**

Meet Millie Weeks

What Subjects will you be studying in Year 12?

**English, Maths Methods, Chemistry, PE and Psychology.**

What are your career aspirations?

**I am still a bit up in the air about the exact career I hope to pursue in the future, but I do know that it will be something in the medical field working with kids.**

What are your hobbies and Interests?

**I am a keen musician and love playing music with my band mates and family. I love my sports, especially netball and basketball.**

Why would you like to be the ASC School Captain?

**I want to be someone that people feel comfortable to approach and know that they can be themselves around. I want to help people achieve their goals and reach their potential. Some people don't look forward to coming to school each morning, but as your School Captain I would like to help change that.**

Meet Danielle Nadj

What Subjects will you be studying in Year 12?

**My subjects are Chemistry , Methods, English, P.E and Psychology**

What are your career aspirations?

**My career aspirations are to own Levantine Hill but just in case that doesn't work ill get a health or science degree and do something with that.**

What are your hobbies and Interests?

**I like volleyball and spending time with friends and family**

Why would you like to be the ASC School Captain?

**I want to be school captain because they have always been an inspiration to me and I want to help bring that enthusiasm and care that they gave me to all the other people in our school**

## Female Candidates Continued....

Meet Kloe Morton

What Subjects will you be studying in Year 12?

***Business management, General mathematics, English, Vet hospitality and Art making and exhibiting.*** What are your career aspirations?

***I aspire to help others in many more ways than one, it's just a matter of finding that way as of now .***

What are your hobbies and Interests?

***I have a passion imbedded in farming, and long distance walking (running or swimming)***

Why would you like to be the ASC School Captain?

***As a collage captain I would like to better the schools connection between student and teacher***

Don't miss next weeks Inside Out when we get to meet our Male candidates!

## Hume Athletics News.

Congratulations to all of our talented athletes that represented our school at the Hume Athletics in Albury on Thursday the 10th of October .

It was fantastic to see such dedication and spirit from everyone involved. A special shoutout to Nathan Hendricks, who excelled in the 17-year-old boys' Javelin, securing first place with an impressive throw of 30.67 meters. He will continue further to represent our College at the State Athletics on Monday, October 21st—best of luck, Nathan!

Also, congratulations to Levi Campbell for being named the 12-13 male Individual Age Champion. Levi showcased his talent by competing in five events, finishing 4th in the 100 meters and 800 meters, and achieving 2nd place in the 200 meters, 400 meters, and Triple Jump. A huge thank you to Emma Kidd and Anita Carr for their support in taking our students to the event.
