# Principal's Report

Our Year 10 Peer students did a fantastic job last Wednesday, with the support of Miss Parbery, running an engaging and energetic transition day with our 2025 Year 7s. We have two more transition days to come to help our new Year 7s get to know each other and our school community.

We have had a colourful last couple of days with our Year 12s dressing to a theme each day in their last week of school. This is a fun tradition. Tuesday this week, is the final day of classes for our 12s, where we will enjoy a lunch with them and their families followed by an assembly in their honour and the formal laying of their pavers in the memorial garden. It is a time of mixed emotions as we are sad to say goodbye to these great young adults but also excited for them as they embark on the next phase of their lives.

Project ROCKIT endeavours to improve young people's lives through their anti-bullying workshops, which are delivered in schools across Australia. On Tuesday 15th Project Rokit presented to our year 7, 8 and 9 students, highlighting what they can do to help make the internet a kinder place, what they can do to safe

guard themselves and what choices they could make to have a more positive online experience. The impact survey from PR indicated that 8 in 10 students said they had the skills to make sure most of their experiences online were positive. Our students loved the games and interactions they had with the presenters.

Congratulations to our Clay target team who travelled to Benalla last week to compete in the Clay Target Championships. Thanks to Ben Clark and Stuart Coward for supervising, and taking our team. Congratulations to Emmie Clark for winning the 'Old Girls Miss Olholm Trophy' and Caleb Carden who won the 'Old Boys D Comensoli Trophy'. Caleb was also successful in going into a shootout for the high gun competition and came second. A great result from our students. Well done to you all.
