Dear Parent/Guardian,

November 7th 2024

Alexandra Secondary College is looking forward to another great year of teaching and learning and would like to advise you of Alexandra Secondary College's voluntary financial contributions for 2025.
Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support. This has made a huge difference to our school and the quality of programs we offer.

Within our school this support enables us to:

- Offer a wide range of special curriculum experiences for our students across all year levels.
- Provide a rich array of classroom materials like exciting chemicals in Science, interesting ingredients in cooking classes, good quality sporting equipment in PE.
- Allow students to take home what they create and make.

Please find below Alexandra Secondary College's voluntary financial contributions schedule for 2025, which includes an overview of what your contributions will contribute towards.

For further information on the Department's Parent Payments Policy please see the one-page overview attached.

Yours sincerely,

Nigel Lyttle
Principal
