Principal's Report

On Monday the College voted in the first group of student leaders for 2023. Congratulations to all of the nominees, who each spoke well and demonstrated they have the qualities to be a fantastic captain. We are pleased to announce Louise Hurrey and Anthony Lee as our College Captains for 2023 and Casey Clark and Ky Hughes as our Vice-Captains. Nominations for Junior and Senior House Captains will be called for at special House meetings on Friday.

Over the last few weeks, we have conducted forums with each of our year levels. The idea of the forums was to present to each year level what they had said about the College in the annual "Students Attitude to School Survey" and capture their voice in how we can improve our school. Students worked in groups to give us their ideas, which were thoughtful and well considered. Their work will now be presented to staff. We will repeat these forums in the first half of next year to gauge our progress. One of the messages to students though was to "not wait" until the next forum to share their ideas and feelings with SRC, their teachers, House Leaders and Senior Staff in the College.

Year 12 exams began on Wednesday. Our exam invigilators have been impressed, as always, with the attitude and conduct of our students. We wish our students well with their preparations throughout the exam period.

We have noticed that some students have been contacting parents on their mobile phones and therefore cutting out the support we can offer to remedy all situations at school. Students using their phones without permission will likely receive consequences for doing so as mobile phone use, without permission of school staff, is banned in all schools by the Minister of Education.
We ask parents to please support us by instructing their students to go through the front office if they need to contact home. We also request that parents contact their son/daughters through the front office and not directly during school hours.

Please help us to enforce the SunSmart policy in our school by ensuring your student has a hat to wear for the remainder of Term Four.

There have been some pleasing improvements in attendance in most year levels this week. Bainbridge and Weinberg are neck and neck in the House Competition.
