Principal's Report

Congratulations to our 52 strong Southern Ranges Cross Country team for making it to and competing at that level at Yea on Friday. As always, we have had a number of excellent individual results, with over a third of the team qualifying for the next round. Thanks to Ms Myles, Chrystal, Tom and Mrs Crouch for their time, support and organisation of the team. There are further details in today's Inside Out.

As teachers we enjoy learning. Over the last term and a half our teachers have been learning and researching in groups, with each group focusing on one of eight of the Department of Educations Classroom Management Strategies. Last Wednesday each group presented to us in what was a rich, instructive and valuable session for us all. We are blessed to have a staff who are always enthusiastic about self-improvement and thankful to them for their impressive professional work.

Artist of the Week

This week's 'Artist of the Week' is Sienna G. We have saved this one to align with the Alexandra Truck Show Weekend. Students were asked to design a poster to advertise the event. Sienna has done a magnificent job, with clearly identifiable landmarks in the background. Well done super star!
